IEEE MMSP 2020

September 21–24, 2020 | Virtually in Tampere, Finland

Thank you for attending MMSP 2020!

On behalf of the MMSP 2020 Organizing Committee, we thank you for your participation in our first virtual conference. With your help, we were able to bring together more than 400 attendees from around the world.

It's necessary that our technical community continues to grow and learn together to advance technology, even during these uncertain and challenging times. Whether you watched presentations on-demand, browsed the conference proceedings, or attended sessions live, we are grateful that you took the time to participate.

To wrap up MMSP 2020, here are a few final reminders and resources:

- **On-Demand Content:** We are finalizing the editing of the remaining live session recordings and all will soon be available on the MMSP 2020 virtual platform to view on-demand at your convenience. This content will be available until 23 October 2020. During this time, you can continue to ask questions for authors in the chat. They would welcome an opportunity to discuss their research with you.
- **Upcoming Survey:** In the coming weeks, a brief survey will be sent to you to gather feedback on the event. We hope you'll take the time to share your thoughts and experience so we can continue to improve future MMSP events.

Additionally, a special thank you to our Sponsors who helped make this event happen; and to the Authors

Thank you for attending MMSP 2020

and Presenters who contributed their research and quickly adapted to the virtual format.

We hope to see you at MMSP 2021 in Tampere, Finland.

Sincerely,

Atanas Gotchev

General Chair, MMSP 2020

Tampere University, Finland

Dong Tian

General Chair, MMSP 2020

InterDigital, USA
